Awareness program on NITI Aayog

- **Theme:**

- NITI Aayog (National Institution for Transforming India) is the premier policy think tank of the Government of India, established on January 1, 2015, replacing the Planning Commission. It promotes cooperative federalism through a bottom-up approach, involving state governments in policy-making to catalyze economic development and achieve developmental goals.

- **Objectives:**

- To evolve a shared vision of national development priorities, sectors and strategies with the active involvement of States.
- To foster cooperative federalism through structured support initiatives and mechanisms with the States on a continuous basis, recognizing that strong States make a strong nation
- To develop mechanisms to formulate credible plans at the village level and aggregate these progressively at higher levels of government
- To ensure, on areas that are specifically referred to it, that the interests of national security are incorporated in economic strategy and policy.
- To pay special attention to the sections of our society that may be at risk of not benefiting adequately from economic progress.

- **Features:**

- Policy and Programme Framework
- Cooperative Federalism
- Monitoring and Evaluation
- Think Tank, and Knowledge and Innovation Hub
