A BRIEF SUMMARY OF THE BEST PRACTICES IN COLLEGE TEACHING

**SAS Government Degree College
Narayanapuram
West Godavari**

**By
Department of Economics**

Insurance for the Students

Objective

1. To reduce financial uncertainty and make accidental loss manageable.
2. To make students understand the need for insurance.

Context

One of the primary benefits of having life insurance is to provide a safety net for your family. In case of an unfortunate event, the proceeds from the death benefit can be used by the beneficiaries to meet their expenses and not worry about reaching their financial & life goals.

Practice

The college made students opt for insurance Scheme. Through ongoing innovation, the mission is to create products that are focused on students physical and mental well-being with the goal of having a brighter future. Student health insurance is beneficial for college students due to low cost and flexible services. The importance of having an insurance plan cannot be stressed enough. Apart from the array of benefits this product offers, including insurance tax benefits, purchasing, or renewing these policies has become a breeze, thanks to online processes. Our specially curated policies offer comprehensive coverage with quick and paperless processes at affordable rates.

Evidence of Success

- Increased enrollment under a national program in India
- Reduced wastage of money among students

Problems Encountered

- Lack of financial discipline and money squandering by students.
- Need for insurance to life of students.
- Habit of saving money for better use

Resources Required

- Staff negotiates with insurance companies on the plans
- Students contribute Nominal Insurance Premium
